Updates To Your Prescription Benefits

Applies to the Standard Formulary Effective January 1, 2027

The Prescription Drug List (PDL) groups medications by the conditions they treat. Each medication is placed in a tier that indicates the amount you pay to fill a prescription as determined by your employer or health plan. Please reference this chart as you review the following PDL updates.

$

Tier 1
Lowest-cost medications

$$

Tier 2
Midrange-cost medications

$$$

Tier 3
Highest-cost medications

MEDICATIONS MOVING TO A HIGHER TIER

If your medication is listed below, you may continue taking it, but you may pay a higher cost. We encourage you to discuss the preferred option(s) below with your doctor to determine if they may be used to treat your condition.
