

Serve You Rx Specialty Drug List

2023

Preferred brand-name drugs are listed in bold. Generic drugs are listed in bold and italicized. Some medications are noted with letters or symbols next to them. The letters and symbols refer to pharmacy benefit programs and are provided to help you check which medications may have a program or limit. Your benefit plan determines how these medications may be covered for you.

* **Limited distribution**
PA **Prior Authorization**

E **Excluded** May be excluded from coverage or subject to prior authorization. Lower cost options are available and covered.

S **Split-fill** First two fills restricted to a maximum 15-day supply.

C **CAAP Rx** Specialty medication copay program.

This is not a complete list of specialty drugs and listing is not a guarantee of coverage. Selected drugs on this list may be excluded under your specific plan design and/or may be subject to quantity limitations or prior authorization depending on plan benefit design. Listings are subject to change. Selected drugs on the list, including limited distribution products, are not available from Serve You DirectRxSM Pharmacy. To find out if your specialty drug is available from Serve You DirectRx Pharmacy, please call 800-759-3203.

Serve You DirectRx Specialty Pharmacy is the preferred specialty pharmacy for Serve You Rx members.

Walgreens Specialty is the preferred specialty pharmacy for limited distribution drugs not available through Serve You DirectRx Specialty Pharmacy.

If you have additional questions, please call customer service at **800-759-3203** or visit **serveyourx.com**.
