

Updates To Your Prescription Benefits

EFFECTIVE July 1, 2023

The Prescription Drug List (PDL) groups medications by the conditions they treat. Each medication is placed in a tier that indicates the amount you pay to fill a prescription as determined by your employer or health plan. Please reference this chart as you review the following PDL updates.

Tier 1
Lowest-cost medications

Tier 2
Midrange-cost medications

Tier 3
Highest-cost medications

Medications being excluded

Medications may be excluded from coverage under your pharmacy benefit when it works the same as or similar to another prescription medication or an over-the-counter (OTC) medication. There may be other medication options available.
