

Updates To Your Prescription Benefits

Applies to the Select Formulary Effective July 1, 2023

The Prescription Drug List (PDL) groups medications by the conditions they treat. Each medication is placed in a tier that indicates the amount you pay to fill a prescription as determined by your employer or health plan. Please reference this chart as you review the following PDL updates.

MEDICATIONS BEING EXCLUDED

Medications may be excluded from coverage under your pharmacy benefit when it works the same as or similar to another prescription medication or an over-the-counter (OTC) medication. There may be other medication options available.
