

Specialty Drug List

2024

Preferred brand-name drugs are listed in bold. *Generic drugs are listed in bold and italicized.* Some medications are noted with letters or symbols next to them. The letters and symbols refer to pharmacy benefit programs and are provided to help you check which medications may have a program or limit. Your benefit plan determines how these medications may be covered for you.

* Limited distribution

PA Prior Authorization

E Excluded May be excluded from coverage or subject to prior authorization. Lower cost options are available and covered.

S Split-fill First two fills restricted to a maximum 15-day supply.

C CAAP Rx Specialty medication copay program.
